(A) Definition. For the purpose of this section the following definition shall apply unless the context clearly indicates or requires a different meaning.

AUTOMATIC AMUSEMENT DEVICE. Any pinball or ball-table machine, marble machine, or any other similar type of game, machine, or table in which any ball, sphere, missile, arm crane, rod, or plunger is struck, released, controlled, or manipulated for the purpose of amusement or skill, or any machine operated by an electric beam, an electrical impulse, or any other type of mechanical or electrical machine or game controlled or manipulated for the purpose of amusement or skill and in which a test of skill is involved, and for the playing of which a fee is charged.

- (B) License required. No person, firm, or corporation shall place or install, or maintain or operate in any building or place within the city any mechanical or electronic coin-controlled automatic amusement devices for use by the public and for which a fee is charged, without first having obtained a license for each mechanical or electronic device that is maintained or operated.
- (C) Application. Any person, firm, or corporation desiring the license required in and by this section shall make application for that purpose to the City Clerk, which application shall set forth the full name of the applicant and his address, the location and character of the building or place where the mechanical or electronic coin-controlled automatic amusement devices are to be located, maintained, and operated, the number of devices to be located, maintained, and operated in that building or place, the type of device to be located, maintained, and operated and the charge to be made to the customer for operating each of the devices.
- (D) Fee. The annual fee for each mechanical or electronic automatic amusement device shall be \$30, payable in advance on or before May 1 of each year. No license shall be issued for less than one year and in no case shall any portion of the license fee be repaid to the licensee.
- (E) The license issued under this section shall be affixed in a conspicuous place in the place of business where the device is kept, and shall permit the operator of the business to maintain and keep as many devices as are listed in the license.
- (F) Licenses issued under this section shall be nonassignable and nontransferable.
- (G) All automatic amusement devices shall be at all times kept and placed in plain view of all persons who may be in any place where the devices are kept or used. Nothing in this section shall be construed to authorize, permit, or license any slot machine or any gambling device of any kind or nature whatsoever that is prohibited by this code, any ordinance of the city, or by the laws of the state.
- (H) Alcoholic beverages. No person shall possess or consume alcoholic beverages on a licensed premises unless those premises are also licensed for the sale or consumption of alcoholic beverages.

Duration of License – for fiscal year beginning May 1, 20____, and ending April 30, 20____.
