MPD Accidents	15	20	5	271	257	-14
Grant Hours Worked	31.5	38	605	313.5	280	-34

### INCIDENTS OF NOTE:

- \*Active shooter training was conducted at Smithfield for about 100 employees
- \*Officers and staff put on Cops and Kids where 25 kids were able to spend \$100 each to buy themselves Christmas gifts. About half of the kids used some of that money to buy Christmas gifts for other family members as well. This is a good time for kids and their parents to interact with police officers in a positive way.
- \*Officers and staff in coordination with Strom Center did Power For Seniors. Gift cards were given away to help pay for power bills. These gift cards were provided by Ameren. Gift cards were given away to help purchase groceries. These gift cards were provided by Save-a-Lot Foods. There were also hams and turkeys given away to the seniors that were donated by Save-a-Lot Foods.
- \*Officers also assisted in giving away 30 hams which were provided by Smithfield, to community members who may have been in need for the holiday season.
- \*New patrol rifles were purchased and put into the patrol cars. These rifles were purchased using Special Equipment funds and had no impact on the budget. The rifles are compact in size and will make the deployment of the rifle from the patrol car easier and safer. They are also ideal for close quarter room and building clearing. The new rifles replaced older rifles that were approximately 15 years old.

### STAFF TRAINING:

- \*All officers and dispatchers were trained in CPR and AED
- \*Preparation and planning of mental health training for officers and spouses that will be conducted in February. This training is provided by the Chaplain service MPD utilizes.

### EQUIPMENT RELATED ISSUES:

- \*The water heater that supplies hot water to heat the car port/garage has failed. I am working with Administrator Steinbrecher on this issue.
