INCIDENTS OF NOTE:

- *Capt. Kinney retired from MPD on 11-6-20 with over 30 years of service. We all wish Capt. Kinney well in his future endeavors.
- *All radar units in the squad cars were certified. This is done on an annual basis.
- *An active shooter drill was conducted at ICS.
- *Towards the end of the month we learned of 2 more dispatchers that will be leaving MPD in pursuit of different jobs. Both are leaving towards the end of November. This obviously will put MPD in a shortage and stretch the remaining dispatchers thin. 3 trainees have been hired and are currently in training to fill those vacancies. Scheduling has been adjusted.
- *Temporarily MPD lost 2 dispatchers to possible COVID-19. Both were sick and both got tested. Fortunately both dispatchers tested negative and were able to return to work.
- *We continue to sanitize the building frequently and ensure that officers and dispatchers are cleaning their work spaces and following COIVD protocols.
